

# HERNANDO SYMPHONY ORCHESTRA

## THE GIFT OF MUSIC PROGRAM

The purchase of music for the orchestra is our biggest yearly expense. We have started a new program called “**The Gift of Music**”, where patrons can donate towards the purchase of new music for the orchestra. Price range for orchestra music is between \$65-500. You may donate all or part of the money towards the purchase price of the music. We will include “**The Gift of Music**” donors in our concert program, on our website and will announce donor names at the concerts when the music is being performed.

Please include this form with your check indicating your donation is for “**The Gift of Music**”.

Mail completed form and check to: **Hernando Symphony Orchestra**
